We would like to take this opportunity to express our deepest gratitude to you for your most generous donation of books to our sangha.

We are very dedicated to the practice and by receiving we are now better able to expand our knowledge.

Acts of this kind of compassion, directed towards us, is not something we are accustomed to, which makes your donation all the more precious.

From all of us in the Buddhadharma Sangha, here at San Quentin, we thank you with all of our hearts.
